National Voter Registration Day

Indian River County, FL – On Tuesday, September 28, the Indian River County Supervisor of Elections office will join thousands of other elections officials across the country to celebrate National Voter Registration Day with focused, nonpartisan voter registration efforts and related publicity campaigns.

The Indian River County Supervisor of Elections will be setting up voter registration drives during lunch at participating local high schools.

Every year, millions of Americans find themselves unable to vote because they miss a registration deadline, don't update their registration, or aren't sure how to register. National Voter Registration Day seeks to help eligible voters across the country participate in our democratic process.

National Voter Registration Day has been endorsed by the National Association of Secretaries of State (NASS). It is further supported by the National Association of State Election Directors (NASSED). National Voter Registration Day is held on the fourth Tuesday of September.
