F.S. 100.032 Election preparation report; general election – Each supervisor of elections must post a report on his or her official website at least 3 months before a general election which outlines preparations for the upcoming general election. The report must include, at a minimum, the following elements; the anticipated staffing levels during the early voting period, on election day and after the election day; and the anticipated automatic tabulating equipment at each early voting site and polling place.
